**14953 N. Fieldstone Drive
Lot 25 Block 2**

\$189,500

4 Bedrooms w/ Study that can be 5th

This gorgeous new construction has “changeable values” for your family. The plan has 4 bedrooms, 3 full baths, & a study, that can easily become the 5th bedroom. But who wants to sleep in this home when the central living space is so inviting? The see thru fireplace ties the kitchen, living room, and nook, all into a great place to entertain, or just catch up on family matters!! The formal dining room has “Thanksgiving” written all over it. Included are ceramic tile, distinctive cabinetry, decorative ceilings, and an oversized three car garage, pre-wiring for both central vac and security system, cultured marble vanities and whirlpool, Etc., Etc., Etc.
